Fighting Childhood Hunger in Ohio’s Communities

Purpose
In Ohio, 680,000 children do not know where their next meal is coming from. That is nearly 1 in 4 children right in our backyard. Children’s Hunger Alliance is a statewide nonprofit organization dedicated to ensuring that children without access receive healthy food, nutrition education and physical activity.

Children’s Hunger Alliance does this by working with child care providers, and breakfast, afterschool and summer meal programs.

Impact
We provide access to healthy food by helping nearly 1,000 childcare providers and 215 afterschool programs serve nutritious meals and snacks to children and promote healthy eating habits and activities.

We work with school districts to begin or expand school breakfast programs. In 2015 we helped increase participation in the federal School Breakfast Program by 14,714 children statewide.

In 2015, we provided physical activity and nutrition education program for nearly 2,500 elementary and middle school aged children in an after-school or summer setting.

How you can get involved:
- Volunteer at one of our special events or a nutrition education program
- Host a Children’s Hunger Alliance speaker at your organization or club
- Hold a fundraiser
- Participate in one of five regional advisory boards
- Advocate for child nutrition programs and initiatives in Ohio
