

Department of Social Change

Purpose

As part of the University's motto, 'Education for Citizenship', the Department of Social Change exists to advance the well-being of the people of Ohio and the global community through the creation and dissemination of knowledge. We work to connect The Ohio State University with communities, focusing specifically on programming for individuals, families, and entire communities facing poverty and its consequences.

Impact

Advance the well-being of the people of Ohio and the global community through the creation and dissemination of knowledge.

To bring together the communities of The Ohio State University and the State of Ohio.

Empower the local community through sustainable, community-driven, placed-based, and multi-disciplinary projects.
