Fellows are expected to participate in Fellowship activities throughout the year (April 2021 - May 2022). Will you have any significant academic/clinical responsibilities or personal reasons during the Fellowship year that may interfere with your ability to participate in the Fellowship?

If yes, please describe:

4. Bearing in mind that the majority of your service hours should be spent in direct, face-to-face community service, how would you apportion your time throughout the Fellowship year? Please include a proposed start and end date.

*(Maximum word count 150)*

Example: If you plan to meet weekly with your target population throughout the year, how many meetings would be required to fulfill direct service requirement? Be sure you have given some thought to the logistical aspects of this part of your project.

5. Describe the avenues you might explore to sustain the project beyond your time as a Fellow.

*(Maximum word count 200)*

### **Personal and Professional Information as it Relates to Fellowship Activities**

1. Considering that there are many different types of community service projects a Fellow could design, what inspired you to develop your particular project idea? *(Maximum word count 200)*

2. Personal Statement: Please include anything about your personal and professional background, as well as motivation for applying to the Schweitzer Fellowship that you would like to share with the selection committee.

*(Maximum word count 800)*

## **References and site mentor**

Please list three references. (Please do not submit letters of recommendation.) At least one of your references should be a faculty member from your school who can speak to your academic abilities and could potentially serve as your academic mentor for the Schweitzer Fellowship.
