

## SHARE YOUR GIFTS. RECEIVE A WEALTH OF EXPERIENCE.

Through the Schweitzer Fellows Program, graduate and professional students from a wide variety of fields will design and lead innovative projects to help local, underserved communities improve their health and well-being.

### SCHWEITZER FELLOWS WILL:

- Provide 200 hours of service
- Receive a \$3,000 stipend
- Receive the guidance of mentors
- Develop program planning and leadership skills
- Join a multidisciplinary network of like-minded change agents acting upon their idealism
